RACERS WHO CARE, INC.:

Racers Who Care, Inc. is a Los Angeles, California-based 501c3 charitable corporation, founded in 1993, that works with auto, boat, motorcycle, truck and snowmobile racers dedicated to making a positive difference for our next generation.

In Southern California, and throughout the U.S. in communities surrounding their tracks, RWC's racers have unforgettably impacted kids with exciting observations on how to succeed, presented by people who have -- very publicly, and in a field perceived as ruthless, tough and unforgiving.
