## QUOTES:

**“Let me just tell you that Nathan was phenomenal. He is very down to earth and personable. I really appreciated the fact that he was so interactive with the students as well as the staff. It was an enjoyable experience and even some of the school teachers stayed to listen to his presentation. Thank you for allowing us this opportunity and I hope we will be able to have him or another race car driver here again in the future.”** *Yvette Johnson, International Elementary School, Long Beach, California, about Nathan Swartzbaugh's Spring 2008 presentation at the School.*
